PROFESSIONAL SUMMARY

Full Stack Software Engineer with 5+ years of experience architecting resilient cloud microservices and intuitive React applications. Proven track record of scaling high-throughput distributed systems and cutting latency by 35%.

TECHNICAL SKILLS

Languages & Frameworks: JavaScript, TypeScript, React, Next.js, Node.js, Express, Python, Tailwind CSS, Redux, GraphQL
Databases: MongoDB, PostgreSQL, Redis
Cloud & DevOps: AWS, Docker, Kubernetes, CI/CD, GitHub Actions, Linux, Nginx
Methodologies: Agile, Scrum, Unit Testing, Jest, Microservices, System Design

WORK EXPERIENCE

Senior Full Stack Engineer | CloudScale Systems | 2022 - Present

• Architected microservices using Node.js, Express, and Docker, reducing API response latency by 35% for over 100,000 active users.
• Engineered modern frontend dashboards using React, TypeScript, and Tailwind CSS, increasing user session engagement by 28%.
• Optimized MongoDB aggregation pipelines and Redis caching strategies, saving $45,000 in monthly database compute costs.
• Spearheaded CI/CD automation with GitHub Actions and AWS ECS, accelerating deployment cycle frequency from weekly to daily.

Software Engineer | DataVibe Technologies | 2020 - 2022

• Developed RESTful APIs using Python and Express to ingest 2.5M daily telemetry records.
• Implemented automated unit and integration tests with Jest, achieving 92% code coverage across core repositories.
• Collaborated closely in an agile Scrum team with 8 engineers and cross-functional product managers.

KEY PROJECTS

Distributed Task Queue Platform (github.com/alexmorgan-dev/task-queue)

• Designed a distributed task scheduler handling 10,000 tasks/second utilizing Node.js, Redis, and WebSockets.
• Deployed containerized architecture onto Kubernetes clusters on AWS with Prometheus monitoring.

EDUCATION

Bachelor of Science in Computer Science | University of California, Berkeley | 2016 - 2020 | GPA: 3.8/4.0

CERTIFICATIONS

• AWS Certified Solutions Architect - Associate
• Certified Kubernetes Administrator (CKA)
